POEM - ONLY YOU

By Dan Coppersmith

No one on Earth exists quite like you And no one is able to do what you do The person you are, the talents you bear Gifts that only you can share	The rest of the world can't see through your eyes Which is why your insight is such a prize
Only you have learned from the things you've done Gaining perspective, from the battles you've won	Because you are you, there are lives you affect Much more than you would ever expect
Times when you've lost, have been priceless too The lessons contribute to what makes you you	The things you do, the things you say Send ripples throughout the Milky Way
	You're unique, amazing like no one else You have the exclusive on being yourself.

Things To Ponder

1. What kind of money fruits are you producing?
2. Are you satisfied with the fruits that you are producing?
3. The seed represent the thoughts that you are thinking. What kind of thought Patterns have you established?
4. Your thoughts represent the state of your inner world. Harv Eker says *"If you want to change the visible, you must first change the invisible. Why is it difficult to change the invisible world?"*
5. How can we change the invisible world to get the fruits we want?
